Comments Share There are 15 NPCs you can confess to love and, if you are lucky, become a lover. You need at least 1000 amiti and 5 energy to be able to confess. Once you've confessed, you'll receive a response to your confession in the mail after the next service. If NPC accepts your feelings and agrees to become your lover, you will become their lover and get a special title, while Amity with NPC will be reduced by 10%. The special name is Kew's lover and is displayed in a different color from normal names. If the NSPCC refuses you, you will get nothing, and your amity will be reduced by 5%. Confessions can be challenged by all adventurers. The lover is determined by rolling the bone based on the ratio of the total of amity people who admitted to being an NPC during the selection process. The relationship is maintained during the week. During this period the adventurer lover can not make additional confessions, but other adventurers can admit to being an NPC. If you have the highest level of amity with the NPC, your relationship will continue for another week. If the amiti is low, the new lover is decided on the basis of the above selection criteria again. If npc in a relationship becomes the lover of another adventurer, you will receive a farewell letter from the corresponding NPC. Gifts you can raise Amity in the usual ways (talking to them, welcoming them), but you can also give them gifts. The amount of amiti you receive by giving gifts is proportional to the value of this gift on the Marketplace. The upper price limit is 50 million. However, the NOC will give up any products they consider too exorbitant. Each of them has favorite gifts that you can give them for an increased amount of amiti. You need 5 energies for every gift you want to give. Favorite Gift Titles There are two names you can get by confessing: (Heartbreaker or Flirt): Confess to 5 NPCs at a time (you must make confessions before the next service, recognition is not carried between services, since this time the NPC decides whether they want to accept you as their lover or not) (Heartbreaker or Flirt): in 10 NPCs at the time Of The Warning Dialogue! Relationship spoilers. Cryo Eileen. Really? Really? I didn't know that you have feelings for me... I can't even do a simple alchemy yet. I'm not as smart and beautiful as my sister either. So why... For what reason? However, I am very happy! Haha.. Sounds silly, doesn't it? Give me some time to think about it. I spent the night thinking about your confession. However, I don't think I'm ready. Only after I have perfected myself will I be worthy to accept your confession. With the present me, I'm not worthy. I am sorry. Santo Manzi Oh no, I stole another man's heart. No matter how careful I am, it always happens. It's hard to be so beautiful. I think you're deeply in love with my charm? Hahaha, let's not be in a hurry. Hey! As I still remember how ashamed you were after you confessed your feelings to me. Unfortunately, I don't feel way to you. Also, I'm just too much on my hands at the moment. I'm always busy overseeing these workers. No, no, don't feel bad! I'm sure there's someone out there for you! Bahar, I was a little surprised. I was wondering why you come to me so often to buy trading goods. I had a feeling you liked me, but I didn't think it was true. I was in a kind of mood all day. When I need to think, I check my trading goods to calm down. Let me go through my daily routine and think about your confession. I'm sorry I can't tell you this face to face. I've been thinking long and hard, but I'll be just a burden to you. I am sorry. I won't be sad, even if you don't want to see me again. I hope you find true happiness. Grace Lauren Let me tell you the truth. I'm used to this situation. Adventurers from all over the world come to visit the Lily Inn Valley and confess to me. I thought you were just like everyone else. But, you visit me often and seem sincere. I can tell you're different. I'm pleasantly surprised. Thank you for the recognition. I'll give you my answer soon. Honestly, I don't want to date anyone yet. I was a little shocked by your confession. It's not that I don't like you. But, I don't think this is the right time for me. There's too much work piled up in this hotel and there are problems that I have to help solve for Lauren. If I have a change of heart in the future and your feelings for me are still valid, that is when I want to meet you. Isobel Encarotics You're a reckless man. It was such a straightforward confession ... But I still feel your sincerity. You look like a good man. However, I'm not sure if I want to know the real you just yet. Let me think about it more carefully. Please understand, I'm not like you. Give me some time to give you an answer. So long, I've been thinking about it for a long time. Unfortunately, I don't think we should be together. Please don't ask why. I find that some things are better left unspoken. I have no obligation to explain myself to you. What I have to say in this letter. It should give you an idea of why I don't want to see you anymore. I have to go. Farewell. Ornella O! You're not the one from Calpheon, are you? I can't believe there's anyone other than Joel confessing to me. As you can see, I'm busy with work. Let me finish, calm down and think about what you said. Thank you for telling me how you feel. However, I just can't imagine us together. I'm still going to help you repair your gear. However, I would appreciate it if we would keep our relationship strictly business. I hope you understand. Vaix I, Valks, I'm flattered that I have a place in your heart. Now that I know what you feel, give me some to find out where I'm standing. I want to know if I am a person who can fit into your ambitions and if you can fit into mine. I'll think about it, but don't wait for me if I don't answer. I've been thinking about it. My reputation in Parliament and your reputation. And what can happen when we're together. I was afraid. If one day we have to confront each other in Parliament, I will lose my love and precious friend. Let us meet again when we stand above the rest, where no one or nothing can stop us. Dominic Erne, hmm... I can't believe you can get me, Dominic Erne, excited... I never expected that. You know who I am, don't you? Ok... It doesn't matter. The burning fire does not stop easily. The issues in Parliament have bothered me lately, but your recognition has given me a new sense of joy. I need time to organize my thoughts. I'll write to you later. I think every action has its price. You confessed to me, even knowing about my status in the Republic. I want to reward your actions with a high price. However, I can't set any high price on your feelings. Because I didn't feel anything after your audacious confession. In other words, I have to reject your feelings. I have too much going on right now. I hope you find someone more suitable for you. Elna Leith I'm not sure what I have to say. I had my full attention to Parliament, so what you said really surprised me. To be honest, I'm very nervous. I'm not sure if it's because I also feel the same way or because of the shock. Could you give me some time to think about it? I've been thinking so much. We spent quite a bit of time together. Unfortunately, I don't think I'm ready to leave the village. Please understand that this is not because I don't love you. Please know that the very thought of being able to trial you as a dream come true. I sincerely regret that I could not give you the answer you want. I hope you understand. I hope we can still be friends. Can you do this for me? Blessing Leona Elion to be with you. Thank you for being interested in me. I didn't expect Elion's follower to have feelings for me, who devoted himself to Elion. To ensure that your confession is not in vain, I will see for reflection on my feelings for you. Elion taught me to love. But I can't bring myself to love someone I don't have feelings for. I am sorry. Feelings of my heart are something I am not able to control. I hope one day you'll know someone who loves you. Annolis Rosie No wonder you kept stealing glimpses of me when you said you came here to read... Oh, you didn't think I'd replace me? I've noticed it since day one. Well, it would be hard for those who don't look at me at all when I'm standing in front. You're not looking for an answer, are you? I need time to think and make a decision. I've been thinking so much. I've been thinking about the social consequences that will follow if I let you log into my domain. One of them is usually forced to act for the benefit of themselves. I'm the same. However, as a person in high office, I cannot act on Request. Will Lord Elion, or others in this library, still accept me? Me? I don't know. I am so sorry. Brego Williar I am confused and appalled by your confession. I'm not saying I didn't like it. I just care about you too much, and now I'm in conflict. I went through a lot of wars and dedicated myself to truth and fidelity, but after you showed up, it was as if my emotions had woken up. No matter how much I pray or train, I just can't get rid of those feelings. I'm not sure if I can calm down after this emotional shock, but give me time to think about it. Don't worry, I don't let you wait too long. I've been searching my heart thoroughly in the last few days. I can say that it was one of the hardest decisions of my life. I can't deny that I care about you. However, I must fulfill my obligation to serve Elion and my duty as Captain of the Knights of Delfe. I couldn't work in good faith because of my love for you. I hope you understand. I was genuinely moved by your determination. I believe you'll be fine without me. I sincerely wish you all the best. I pray that Elion will look after you. Rickta Hu ...? A what? If you get close to me, the whole village might start not to rejoice at you. You... You don't care? Oh... Ok... Ok. Wait wait... Let me finish this work and get some time alone to think about it. D... Don't rush me! I've been thinking so much. However, you currently do not have the necessary power to defeat the giant Treant. But I see potential. It will only be a matter of time before you're ok stronger. Come back to me when you know you're ready. Louvensley I'm grateful that you have feelings for me, but I've dedicated myself to a goddess. I wonder what Geraven will think... Please give me more time to think about it. I'll answer soon. Thank you for your recognition, but my heart belongs to Geraven. And I can tell you that you have someone who is destined to be with you in the near future. The grace of Geroen will always be with you in the future. Community content is available under CC-BY-SA unless otherwise stated. Noted.
